In Business Since 1965 | ISO 9001: 2015 Certified |
SAM.gov Registration and UEI in Place

GUS Products, LLC provides contract manufacturing and electronic assembly services for customers that need dependable production support across cable and wire harness assemblies, printed circuit board assemblies, AC/DC modules, and custom box builds.

CORE COMPETENCIES

- Cable and wire harness assemblies for custom and recurring production requirements
- Printed circuit board assemblies for customer-furnished or build-to-spec applications
- Custom box builds integrating multiple components into complete assemblies
- AC/DC module assembly supporting electronics and power-related applications
- Module and subassembly production for instrumentation and industrial equipment needs

PAST PERFORMANCE

Schlumberger 02/22 – 02/30 \$400,000	Wire and Cable Assemblies, Proximeters
NOV (National Oilwell Varco) 02/22 – 02/30 \$1,600,000	Printed Circuit Boards, AC/DC Modules
Stewart Stevenson 02/22 – 02/30 \$400,000	King Rail Wire and Cable Assemblies
Lufkin Automation by GE 12/25 – 02/30 \$200,000	Wire and Cable Assemblies
Spectrum Watchfire 02/22 – 02/30 \$1,000,000	High-volume Scoreboard Printed Circuit Boards
PAC Antek Instruments 02/22 – 02/30 2,800,000	Printed Circuit Boards & Sulfur/Nitrogen Detector Modules

DIFFERENTIATORS

- **Broad manufacturing range** spanning harnesses, PCB assemblies, modules, and complete box builds
- **ISO 9001-2015** certified quality system supporting consistent production and process control
- **Custom solutions** to source difficult-to-find materials
- **Fast turnaround** for contractors and clients on tight schedules
- **Responsive** customer support, repeatable production performance, and disciplined supply-chain management enabling dependable delivery across changing project requirements and timelines
- **US-based** manufacturing for ease of logistics and quick turnaround
